Chapter 1 by Alexander

I walked over to the phone and dialed the number that was sent to me. A few rings went by and then somebody picked up.

"Hello? Who is this?"

"I should be asking the same thing. You are the one who called me."

"Y-yea.... Sorry about that. My name is Z and your number was sent to me through the mail and I'm not sure why."

"Ah yes. I remember sending that letter to you. Allow me to introduce myself. My name is Zanton but, people know me as the DreamScaper. I sent you my number because I need help with an experiment and you being the leader of Arcadia I was hoping you would be willing to help?"

"Umm.... I mean I guess? I think we need to actually meet in person first. I would like to actually discuss this 'experiment' you speak of in person."

"That is going to be an issue. I am not actually allowed to enter the physical world. I live within peoples dreams and the only way for us to meet in person is for you to come here."

"Well...... I mean I would have to bring my guards with me due to the fact that I hold such a high position but, I guess I can go. When and how do I get there?"
